Happy Mid-Autumn Festival

**Objective(s)**

- Know the customs of the Mid-Autumn Festival, the story of moon cakes and activities
- Make lanterns with different materials
- Share own designed lanterns with others

**Brief Descriptions:**

1. The teacher first plays the Mid-Autumn Festival videos and stories to let children know the customs of the Mid-Autumn Festival, the stories of moon cakes and the activities of the Mid-Autumn Festival.
2. The teacher spend the Mid-Autumn Festival with the children at the Mid-Autumn Festival celebration. In addition to knowing the origin of the Mid-Autumn Festival, children also play lanterns together, eat moon cakes, guess lantern riddles, and feel the festive atmosphere!
3. The teacher showed a picture of the lanterns again, so that the children can observe the characteristics of different lanterns. Then, the teacher invites the children to create, and the children first use different materials (e.g. color pens, plush balls, flashes, small flowers, etc.) to design lanterns. After completing the work, the teacher invited Children share the results of production.
